

Taylor Mausoleum

Octagonal mausoleum comprising steeply sloping stone roof with octagonal lantern and spire. Squared-and-snecked rock-faced limestone walls having ashlar plinth course, string course and eaves course. Paired trefoil-headed window opes to lower drum with trefoil-headed louvered opes to lantern (all sides). Arched doorway to principal elevation within gothic door surround or receding orders having coat of arms to tympanum. Set within the Headfort Demesne forming an eye-catcher in the landscape.
